I just celebrated twenty years in my apartment here in Boston Massachusetts straight from Martin House Norwich Connecticut. Hey it's been twenty Sand Castle competitions at Revere Beach plus twelve world championships parades plus all the hurricanes, Blizzard's and COVID pandemic but I am still here, I joined Martin House in 1998 and I will be celebrating 26 years of sobriety on August 10th it's been a long road but I still enjoy going to AA meetings on a daily basis and participating with groups all in work and fun and gratifying, ! Lori and Martin House thank you for being an incredibly important stepping stone in my recovery thank you you guys have been life savers.
